

## D2L Student View Test Results

You are logged into your D2L course. (the diagram below shows two steps in the same picture)

**Step One:** Click on the Tests link as per the top arrow (see diagram below). The tests show up.

**Step Two:** The list of tests will show up as below. Click on the test you wish to view the results. (Available if the instructor sets it up for students to view results).

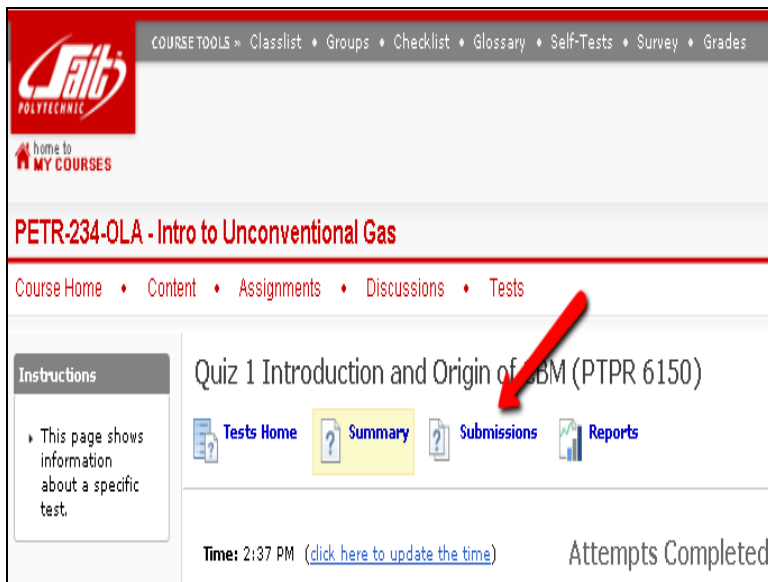

The screenshot shows a D2L course interface. At the top, there is a navigation bar with links: COURSE TOOLS » Classlist » Groups » Checklist » Glossary » Self-Tests » Survey » Grades. Below this is a red banner with the Jait Polytechnic logo and the text "home to MY COURSES". The course title "PETR-234-OLA - Intro to Unconventional Gas" is displayed. A red arrow points to the "Tests" link in the course navigation menu. Below the menu, the "Instructions" section states: "This page lists all current, future and past tests." and "To take a test, click on its name". The "Legend" section is also visible. The main content area is titled "PETR-234-OLA - Intro to Unconventional Gas - Test List" and includes a "Tests Home" link. A table lists the tests:

Without Category	Attempts
<a href="#">Quiz 1 Introduction and Origin of CBM (PTPR 6150)</a>	1 / 1

Below the table, it says "begins Jul 30, 2010 11:47 AM". A red arrow points to the quiz link in the table.

The quiz will show up (as below).
